Review

Fitzroy, dance bar ★★★★★

France Média Monde

December 2023

The Fitzroy is the ideal place to organize an end-of-year party for 60 employees. The privatization of the first floor is a real asset: spacious with a small lounge area for quiet moments, access to changing rooms, and entertainment on the same level. It's great. The dinner buffet was excellent with a variety of verrines. A DJ was available for the entire evening.

We had a very festive and pleasant evening at the Fitzroy: drinks and dinner buffet were top-notch! The choices offered were particularly varied and suitable for all types of dietary restrictions! The venue is very nice, with a warm atmosphere. We will be happy to return.
